**PURPOSE/BACKGROUND:**

This bill creates a new alcoholic beverage licensing category for facilities that are conducting permanent trade show businesses, at which members of the general public are not permitted to attend. These facilities must have a minimum of two hundred-fifty thousand square feet of floor space used primarily to conduct permanent trade shows. Trade show exhibitors may serve alcoholic beverages at their respective exhibit sites within a permanent trade show facility if they first obtain a permit from the City issued under the facility’s alcohol beverage license.

This bill should be submitted to a Recommending Committee for review, hearing and recommendation to the City Council for final action.
